Shadows dancing in a darkened room
Lying here beside me, where are you?
I wonder, 'cause I'm not always sure
Are you someone I'd still recognize?
Do you look at me through different eyes?
I wonder if your feelings have changed

Do you love me?
I can feel the beating of your heart
Do you love me?

Sometimes honesty is not enough
For all the second thoughts, for all the love
I wonder, have we both given up?
Shadows haunt me through the empty nights
Can we still go on... should we say goodbye?
I wonder if we're both strong enough to know
completely

Do you love me?
I can feel the beating of your heart
Do you love me?

Do you love me?
I can feel the beating of your heart
Do you love me?
