## "Bigger Than Me"

There is a darkness to these jaded days  
Maybe it's a seasonal affected disorder  
Or maybe we're just sad

There is photosynthesis  
We crane our necks for sunlight  
There's a different sun for everyone

And it's bigger than me  
Yeah it's bigger than me  
So much more to eat  
To be bigger than me

There is a vacuum  
There are boys with toys  
These toys of coldness  
And a smart ares

There is a cuckoo  
Who's been and lain in my nest  
And the egg is hatching  
And Christ I'll never be able to feed it

'Cos it's bigger than me  
Yeah, it's bigger than me  
There's so much more to eat  
To be bigger than me  
Oh yeah

I should welcome all  
Both fallow and fertile  
I should welcome all  
Both circumcised and gentile

But I can be so  
So elsewhere  
And I can be so  
So cold

And there is a world so full of people  
Full of love and shrapnel  
Full of bag ladies and bag ladies

And wicker men

And it's bigger than me  
Yeah, it's bigger than me  
Still so much more to eat  
To be bigger than me

Yeah, it's bigger than me  
And it's bigger than you  
And it's bigger than me  
And it's bigger than you

Am I a stone?  
Am I a sponge?  
Am I a stone?  
Am I a sponge?
