My book has more bookmarks than pages
'Cos it takes me ages
Or is everybody reading
Is everybody reading

Standing on a black Ulster hill
I never fear the chill
'Cos everybody's holding
Everybody's holding

I wouldn't swap the pain
For never knowing you
I wouldn't swap the pain
It was worth it for the view

My book has more bookmarks than pages
'Cos it takes me ages
Or is everybody reading
Is everybody reading

Of a sparkling Medusa
With snakes of cerise and blue

And though we're all pillars of salt now
It was worth it for the view

I wouldn't swap the pain
For never knowing you
I wouldn't swap the pain
'Cos it was worth it for the view

We're still watching
Your rainbow through the shower
And we still see you
In every sunflower
We're still watching
I make days from the hours
And I still see you
In every sunflower
Every screaming sunflower

How they scream

They scream
How they scream
For you
