It's so sad
I never believed it would end this way
And it's too bad
There just isn't anything left to say
Two people drift apart
One moment in time it's too long
I've tried to tell you why
I can't be with you
But you know I'm always thinking of you

I-I-I wish I could leave in another day
But I have thought it over
And I know I just can't live without her
I-I-I hope I don't have to lose a friend
And I will always love
But I want her here beside me
'Til the end

And maybe
You'll find someone new who'll take my place
And baby
She'll put back the smile that I took from your face
No turning back again
I'm walking away from you now
I feel I've lost somehow
I can't be with you
But you know I'm always thinking of you

I-I-I wish I could leave in another day
But I have thought it over
And I know I just can't live without her
I-I-I hope I don't have to lose a friend
And I will always love
But I want her here beside me
'Til the end...
