Running down an empty street
Going nowhere
Shadows dance across your feet
In the cold air

Then I see the face
Of someone I knew
Someone I loved
Someone like you

In your eyes
I see everything I need
And everything I want
In your eyes
I see everything I am
And everything I'm not
In your eyes
In your eyes
In your eyes

Dancing in the empty heat
Of a love song
Seems that every second beat
Has to go wrong

When I've fallen through the ice
When you reach out
Take me to a safer place
When I move out

Where I see the face
Of someone I knew
Someone I loved
Someone like you

In your eyes
I see everything I need
And everything I want
In your eyes
I see everything I am
And everything I'm not

In your eyes
In your eyes
In your eyes

Well I see the face
Of someone I knew
Someone I loved
Someone like you

In your eyes
I see everything I need
And everything I want
In your eyes
I see everything I am
And everything I'm not
In your eyes
In your eyes
In your eyes...
