Stars in your eyes,
Little one,
Where do you go to dream,
To a place,
We all know,
The land of make believe

Shadows,
Tapping at your window,
Fhostly,
Voices whisper will you come and play?

Not for all the tea in China,
Or the corn in Carolina,
Never,
Never ever
They're running after you babe

Run for the sun,
Little one,
You're an outlaw once again,
Time to change,
Superman,
Will be with us while he can,
In the land of make believe

Something,
Nasty in your garden's,
Waiting patiently,
'Till it can have your heart,

Try to go,
But it won't let you,
Don't you know it's out to get you,
Running,
Keep on running
They're running after you babe

Run for the sun,
Little one,
You're an outlaw once again,

Time to change,
Superman,
Will be with us while he can,
In the land of make believe

Your world is turning,
From night to day,
Your dream is burning far, far away

Into the blue,
You and I,
To the circus in the sky,
Captain Kids,
On the sand,
With the treasure close at hand,
In the land of make believe

In the land of make believe

Run for the sun,
Little one,
You're an outlaw once again,
Time to change,
Superman,
Will be with us while he can,
In the land of make believe

Run for the sun,
Little one,
You're an outlaw once again,
Time to change,
Superman,
Will be with us while he can,
In the land of make believe

(Little girl)
I've got a friend who comes to tea,
And no-one else can see but me,
He came today,
But had to go,
To visit you?
You never know...
