She picked a fine time for leaving
And I thought we'd found a way
To make it alright
And I'll say honestly
She was no good for me
And what she gave to me
She gave indifferently
Oh, and I miss her so
Why did her let her go?

'Cos this love dies hard
I'm alone
And I still regret each moment we're apart
Now this love dies hard
I was wrong
And I can't forget these feelings when they start
Breaking my heart

We found the right time for talking
She just put me down
Never let me breathe
And while she cheated on me
I loved her endlessly
My love defeated me
I got too high to see
Where we were going wrong
How can I carry on?

'Cos this love dies hard
I'm alone
And I still regret each moment we're apart
Now this love dies hard
I was wrong
And I can't forget these feelings when they start
Breaking me heart

She was everything there has never been
Such a love in a life before
Never been a light that shines so brightly for me
How could I have missed the signs of straying
When each and every one was saying

'Cos this love dies hard
I'm alone
And I still regret each moment we're apart
Now this love dies hard
I was wrong
And I can't forget these feelings when they start
Breaking my heart
