Visionary idealists inspired us in the past.
Now the world has done them wrong.
Cynics laughed at Stukeley - Lockyer got mocked:
Then they persecuted Tom.

Have you even heard of T.C. Lethbridge?
Have you seen his books in any mall?
You'd be enthralled at his methodology,
While 'scholars' sit indoors going; "Ha ha ha ha ha!".

We are forward-thinking motherfuckers,
We are true to everything you are,
Though something you were wrong,
Your methodology - so thorough and so practical
Votes so very tactical - they wrote you off as radical!

"No spoken or written word can ever be a substitute for
one's own practical experience.
No-one too can convince another who does not wish to
believe what he is told.
Only the doubter uses by his incredulity."

We are forward thinking motherfuckers,
We are true to everything you are,
Though something you were wrong,
Your methodology - so thorough and so practical
Votes so very tactical - they wrote you off as radical!
