Lets be me alone
Let me dream in silence and
In the ? most wonderful life
Let me believe
Make me ?
Lets dance on the water
Lets dance on the water
Let me believe no human can drown
If he don't expect too much
If he don't expect too much
Let me take you for a walk
Let me sing, let me smile
Tell me no human can drown
If he don't expect too much
And let me take you for a walk
I don't expect too much
I just wanna hold you
Just wanna touch you
Just wanna hold you
Just wanna touch you and feel your flesh
Take me to your universe
Hold me
Hold me
