I never saw you
Like this before
Those eyes so weary
But a smile so steady
Ooh i never heard you
Like this before
The words so heavy
They sound so dreary
Ooh they sound so dreary
I never saw you so
I never saw you so
I never saw you so
I never saw you like this before
I stumble and fall over your gaze and your call
?
?
I can't sound ?
How can I convey
With this icy cue
You're pudding in my hands
You're pudding in my hand
Ooh i never saw you
Like this before
Those eyes so weary
But a smile so steady
Ooh a smile so steady
I never saw you so
I never saw you so
I never saw you so
I never saw you like this before
I stumble and fall over your gaze and your call
?
?
?
