where are you
when I'm near
so far away
so far away
i think you are the most important so near
so near
to me
too near
my simple footsteps
boot ? theirselves on ?
i think that I must be with you
? now a day
where are you so far away
it makes no sense
it makes on sense at all
where are you
where are you
where are you
where are you
so far away
i think you are the most important so near
so near to me to near
my simple footsteps

? theirselves on ?
i think that I must be with you
? now a day
where are you
so far away
i think that I
must be
now a days
now a days
now a days
so where are you
so far a way
in just one day
in just one day
in just one day
it makes no sense at all
it makes no sense at all
it makes no sense at all

in just one day
in just one day
in just one day
in just one day
in just one day
in just one day
