How long will it take  
Before you see  
There is no room for you  
Inside of me

Deep in our hearts  
We are alone  
Deep in our blind hearts  
Skin and bone

In many ways  
You've lost your dignity  
Hey girl, give up  
Your hopeless ecstasy

Deep in our hearts  
We are alone  
Deep in our blind hearts  
Skin and bone

Kiss high Heaven  
Kiss one other  
Kiss the Earth  
And kiss the sea

Everything instead of me  
Everything instead of me  
Kiss your precious destiny

Deep in our hearts  
We are alone  
Deep in our blind hearts  
Skin and bone

Deep in our hearts  
We only know  
Deep in our blind hearts  
Skin and bone

Bone of contention  
Bone of contention  
Bone of convention

We only know

Deep in our hearts

We are alone

Deep in our blind hearts

Skin and bone
