"No Human Can Drown"

Visit "[No Human Can Drown](#)" on MotoLyrics.com

Let me be alone
Let me dream in silence and enjoy
In the cold, cold wonderful night

Let me believe
Make me glad
Let's dance on the water
Let's dance on the water

Let me believe
No human can drown
If you don't expect too much
If you don't expect too much

Let me take you for a walk
Let me see, let me smile
Tell me no human can drown
If you don't expect too much

And let me take you for a walk
I don't expect to much

Just wanna hold you
Just wanna touch you
Just wanna hold you
Just wanna touch you

And I feel your flesh
Take me to your universe
Hold me, hold me
