When the day is young,  
And the laughs are thin  
I stayed the night too long  
And the colour grows upon my skin  
Shame, shame, shame  
All I feel is  
Shame, shame, shame  
All I feel is  
Shame, shame, shame  
All I feel is  
Shame, shame, shame  
Just pack and go and never return  
When will I ever learn?  
When will I ever learn?  
Not to turn and stare  
Not to turn and stare  
Shame, shame, shame  
All I feel is  
Shame, shame, shame  
All I feel is  
Shame, shame, shame  
All I feel is  
Shame, shame, shame
