Remembering the moments  
It's so unclear  
Re-living it just to disappear

It's always the wrong way  
And never the same  
It's dragging and staggered  
Into a dull replay

Remember the moments  
It's so unclear, it's so unclear  
Re-living it just to disappear

Lying down in sleepless eyes  
Wide awake  
So caught inside this aimless endeavor  
It's sure to leave it's mark

Blacked-out and beaten into our skin  
Deeper now that it's sunk in  
Feeding on all of this damage it's done  
The deeper you look the harder it is to find

It's so safe and so secure, it's so safe  
It's so safe and so secure, it's so safe

Blacked-out and beaten into our skin  
into our skin  
Deeper now that we've fell in  
It's so deep now

Blacked-out and beaten into our skin  
Deeper now that we've fell in  
Feeding on all of this damage it's done  
The deeper you look the harder it is to find
