Only you can start this fire in my heart
Set me a blaze tonite, cold no longer
One day my fight will be over
But for now I'm looking straight ahead

And its all for you
So I'll let you rise, I'll let you rise in these bones
Our eyes have grown dim finding no rest in ourselves
Renew us o' Lord, light the fire within

Burn, renew this heart
Burn and rise from these ashes
Burn the fire within
Burn rise up from these ashes

Burn and cleanse these bones
Burn, renew my heart cause I'll praise you
Burn until the day that you will return

Nothing more than to see through your eyes
I want nothing else but to see through your eyes
Burn in my heart
Take my heart, set me free, light my fire
