Movement outside, silence inside
Restless lovers spread your wings
As the day begins

It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising

Learn to love your secret life
Still calm and gentle life
Your resolution comes too fast
Now the night is past

It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising

Smiling, gliding, breathless you're riding
Love is just a state of mind
That we leave behind

It's just the sun rising
It's just the sun rising
Oh, it's shining
It's just the sun rising
It's just the sun rising

Let yourself go
It's just the sun rising
It's just the sun rising
It's shining
It's just the sun rising
It's just the sun rising

It's shining
It's just the sun rising
It's just the sun rising
It's shining

It's just the sun rising
Sun rising

Life, love, life, love
Life, love, life, love
Life, love, life, love
(Shining, shining)
It's just the sun rising
It's still rising, rising
Sun rising
