Consider it done like a father, like son
Like a ship that is lost at sea
Drifting aimlessly, far away from me

When you're falling asleep
And your breathing is deep
But your drifting right out of sight
Into darkest night, go towards the light

Feel love
(Feel love)
Real love
(Real love)
Give love
(Give love)
Three steps to heaven

Love life
(Love life)
Live life
(Live life)
Give life
(Give life)
Three steps to heaven

Like a shot in the dark, I was wide off the mark
It's wide open and plain to see
Just the inner me
(Just the inner me)
Trying to break free
(Trying to break free)

Feel love
(Feel love)
Real love
(Real love)
Give love
(Give love)
Three steps to heaven

Love life
(Love life)

Live life
(Live life)
Give life
(Give life)
Three steps to heaven

Feel love, real love, give love
Feel love, real love, give love
Feel love, real love, give love
Feel love, real love, give love

(Love)
I want to feel love
(Love)

It was all coming back
When the image turned black
And my vision began to swim
Something from within seemed to pull me in

Feel love
(Feel love)
Real love
(Real love)
Give love
(Give love)
Three steps to heaven

Love life
(Love life)
Live life
(Live life)
Give life
(Give life)
Three steps to heaven

Feel love
(Feel love)
Real love
(Real love)
Give love
(Give love)
Three steps to heaven

Love life
(Love life)
Live life
(Live life)
Give life
(Give life)
Three steps to heaven

Three steps to heaven

Feel love, real love, give love

Feel love, real love, give love

Feel love, real love, give love
