

The Beloved "Time After Time"

I'm much too headstrong for my own good
I'm too involved to realize
That your uncertainty will be the death of me
But I lose my will and if looks could kill
I've been struck down dead by your beautiful eyes

Time after time you challenge me for a reason
I know that I'm impossible and deceiving
I see the signs, you're telling me that you're leaving
Time after time, time after time

These games of politics and romance
They're quite impossible to win I can't unfathom you
One minute you love me or you say you do
And then I turn my back, I'm under attack
I turn to hold you and you stick me for nothing

Time after time you challenge me for a reason
I know that I'm impossible and deceiving
I see the signs, you're telling me that you're leaving
Time after time, time after time

And if I change to be the way you say you want me
I'll only be the way I've always wanted to.
You know as well as I do
You know as well as I do

Time after time you challenge me for a reason
I know that I'm impossible and deceiving
I see the signs, you're telling me that you're leaving
Time after time, oh time after time

Time after time you challenge me for a reason
I know that I'm impossible and deceiving
I see the signs, you're telling me that you're leaving
Time after time

Oh, well I still love you, time after time
Oh, I love you, time after time
You know, you know, I still love you, time after time
Oh, I love you, time after time after time after time
after time
