Baby, well, let me tell you something about love
Let me tell you that I've had enough
I've had enough of your playing away
And then I've only got one thing to say

Only your love takes me higher
It's the kind of love that leaves me burning with desire
If you think of me, if you care
Stop your fooling 'round because it's going nowhere

Baby, well, let me tell you the one thing that's true
I've got to try to get through to you
I've had enough of your playing away
And now I've only got one thing to say

Only your love takes me higher
It's the kind of love that leaves me burning with desire
If you think of me, if you care
Stop your fooling 'round because it's going nowhere

Ask me, I will recommend
Something that will surely put your troubles at an end
All this heartache's more than I can bear
It's still going nowhere, nowhere

Nowhere, nowhere, nowhere, nowhere
Nowhere, nowhere, nowhere, nowhere

Only your love takes me higher
It's the kind of love that leaves me burning with desire
If you think of me, if you care
Stop your fooling 'round because it's going nowhere

Ask me, I will recommend
Something that will surely put your troubles at an end
All this heartache's more than I can bear
It's still going nowhere, nowhere

It's the kind of love that leaves me burning with desire
Stop your fooling 'round because it's going nowhere
Something that will surely put your troubles at an end
