In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the herring, the king of the sea
He sang out old skipper, now you can catch me
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the mackrel with his stripped back
He sang out old skipper, hum haul your main tag
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the sprat, the smallest of all
He sang out old skipper, hum haul your trawl haul
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the crab with his great long claw
He sang out old skipper, you'll run us ashore
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the herring, all broken and spent
He sang rifting's finished now who'll pay the rent
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the herring, right under the lay
He sang rifting's finished, who's bother with me
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together

And up jumped the herring, the king of a shore
He sang rifting's finished, gotta stay on the door
In this windy old weather, stormy old weather
Whilst when the wind blows we'll all go together
