"On The Mission"

Seeds are planted
Seeds of misanthropy
Seeds are planted
Seeds of hatred

Mission shall continue
Goal shall grow

Possessed minds
Of zero tolerance
Deep belief
On the mission

Leathal power
Of mans will

Vision
Strenght
Knowledge
Power

Some transformed
To dedicated allies
Allies create armies
To spread the mission

Armies joined to war
Against opposite force

Victim
Death
Victory
Our Era
