### "Conspiring Winds Of The Abyss"

A black book of depraved old mysteries  
Bloodstained black cloth that covers the altar  
Clad in thick robes to conceal the flesh  
of a man-god I was bound to be

The abyss winds return  
on the hour of revelations  
Conspiracy of homodeus and Satan

A balance of power that was shattered  
with the spreading of the jew disease  
Shall be undone with our rites

and the persistence to reverse  
the unnatural reign of christianity

As the chant of our discontent  
echoes to the world  
A human is reborn  
and the highest law shall be  
written with a Luciferian sword  
to the flesh of god's corpse
