"Guided By Black Light"

Visit "[Guided By Black Light](#)" on MotoLyrics.com

I feel the black light guiding my way
like torch lasting for eternity
torch that burns inside me
giving dim glow
enough for my hidden ways
There has been torment that you saw
Sin you witnessed
Blasphemy towards all beliefs
manifestations of anti-humanity
I have seen this world with eyes of outsider
with black light guiding my way
I've given the dead world touch from my hand
While walking through the cities of the dead
I feel the black light guiding my way
like torch lasting for eternity
torch that burns inside me
tells tales of spiritual abandonment
Showing it gods turn to die
