### "Horizon Of Ego Annihilation"

Seen the annihilation in Horizon.  
Been on the edge of cathartic purification  
Strife of the worlds colliding - Ripping self apart.  
Distracted wreck crawling to directions of blind man  
Unable to see victorious path!  
Unable to go through transformation!  
It awaits, it demands  
It commands for the sacrifice.  
So little to give so close to go  
Horizon of Annihilation ahead  
The birth as new life form  
Higher than glorified shell  
All has been given up  
Now nothing stands on the Way!
