"Tearing Down Jerusalem"

War!

Strike to the holy city
Crush jerusalem
Torture the followers
Of weakening god
Let the blood stream
Through dirty streets
Zionist cancer
Faces zero tolerance

Tearing down Jerusalem
Crushing Zionist Power
Victory of unholy forces
Our Victory!
Destruction!

Sky high flames
Napalm rain over jerusalem
Screaming victims
In agonizing pain
Destructive flames
Leave scorched earth
Zionist dream
Burned away

Tearing down Jerusalem
Crushing Zionist Power
Victory of unholy forces
Our Victory!
