

Clannad "Anam"

Visit "[Anam](#)" on MotoLyrics.com

When will I see
An end to destruction and woe?
And how will I see
No division, in my life?

There comes a time, to make amends
Never too late, to try again
To save our soul

When will I see
An end to the famine and war?
And when will I say
There's no solution no more?

There comes a time, to make amends
Never too late, to try again
To save our soul

All that I see
Is soul destroying, greed
When will I say
There's no solution to meet?

There comes a time, to make amends
Never too late, to try again
To save our soul
