

Clannad "Ancient Forest"

Visit "[Ancient Forest](#)" on MotoLyrics.com

Came upon an ancient forest
A guiding power had led me there
Walking through the mystic forest
The legend, tale of times gone by.

Once it's whisper in the black night
Reflection deep in wooded lands
A floating mist that circles shadows
A legend, tale of times gone by.

Giant trees are are falling night and day
For many years and ages past
Will they ever share the answer
Of legend, tales, and times gone by?

Walking through the mystic forest....
I'm walking through the mystic forest....
