Rising early out of bed
Across the fields I steered O

When O and I a woman I spied
And a pretty fair maid appeared O.

Her head was bare I do declare
She had neither hat nor feather on

And she stopped so low gave me to know
It was mushrooms she was gathering O.
O gathering O
and she stopped so low gave me to know
It was mushrooms she was gathering O.

Where are you going says my dear
Why are you up so early O

I've seen you on the dewy grass
Before the sower Ferdio.

Quite modestly she answered me
And she said I gathering mushrooms
To make my Mammy ketchup O.
O ketchup O
and she said I am gathering mushrooms
To make my Mammy ketchup O.

Her parting breast on mine she pressed
Her heart was like a feather O

And her lips on mine do gentle join
And we both sat down together O.
Together O
and her lips on mine do gentle join
And we both sat down together O.
