How gentle was the breeze
That Surrounded the way
How loud the sea's roar on the four

Winds everyday

Sharing love, wounded gifts from
Ancient long ago

Together they closed in the circles we know
Will we treasure all the secrets with life's changing
scenes
Where our hearts were warm with love

So much love

Will the flowers grow again as I open
Out my hand

Precious time

Time for healing

The beauty of this land (2x)

We will treasure all the secrets with life's changing
scenes
Where our hearts were warm with love
So much love

Will the flowers grow again as I open
Out my hand

Precious time

Time for healing
The beauty of this land

How soulful those words that confuses the way

How wild the mountains stare as they guard our
everyday

Take for granted noble hearts in the golden

Age that's flown

Between us recall on a strong road

We've known
