

Clannad "Scarlet Inside"

Slowly, I look around.
An angry sight for every sound.
We stood with troubles all around.
She's trampled on the ground.

Feel the sadness inside.
I'm scarlet inside.

I realize, far too late
As her life dissipates,
No truth, no reasons why,
Just the fear, and the hatred.

Feel the sadness inside.
I'm scarlet inside.

This life is such a lie
Now I don't even try
Never (I can't think why)
I never saw eye to eye.

Feel the sadness inside.
I'm scarlet inside.
