"Something To Believe In"

Everybody's rushing around,
Trying to keep a hold
On some piece of mind
All the time
And somebody's lookin' around
Tryin' to find
Something to believe in
To believe in
All the things they promised
They're always lies

Chorus
Well it's something
Oh it's something to believe in
You know it's something

Every little once in a while
You take a chance to win
On a turning card
But it may be hard
We could be fooled on the merry-go-round
But i'm trying to find
Something to believe in
To believe in
All the things they promised
You know they always lied

Chorus

I've been willing and strong all along
Through chilling times
In a sea of heartbreak
Where you give and take
I won't give in to promises
Until i find something to believe in
To believe in

Chorus
