Covered in darkness a time that is past

Waiting adrift they cannot hold back  
Cannot hold back  
Tear misted eyes standing alone  
A broken will over all that they've known

Out in the distance far is the calling

Shadows still steal  
Through the place that they knew  
A vision that's empty is what they see  
The eyes of tomorrow  
Look to sunset dreams

Sorrow deepens only to tell

That silence speaks where words cannot mend  
Words cannot mend  
A vision that's empty is what they see  
The eyes of tomorrow  
Look to sunset dreams

Out in the distance far is the calling

Shadows still steal  
Through the place that they knew  
A vision that's empty is what they see  
The eyes of tomorrow  
Look to sunset dreams

Covered in darkness a time that is past

Waiting adrift they cannot hold back  
Cannot hold back  
Tear misted eyes standing alone  
A broken will over all that they've known

Out in the distance far is the calling

Shadows still steal  
Through the place that they knew

A vision that's empty is what they see  
The eyes of tomorrow  
Look to sunset dreams
