

Clannad "The Bridge Of Tears"

Visit "[The Bridge Of Tears](#)" on MotoLyrics.com

The mist has cleared from Muckish Hill
Our parting coming nearer
The last embrace, the final touch
With nothing more to say
Nothing more to say

As silence fell around the bridge
Not a single word was spoken
A bitter breeze, a lonely stream
Echoed through the glen
Echoed through the glen

Droichead na ndeor
Agus droichead na gcaointe
Droichead na gcaointe
Agus droichead na ndeor

Och³n 's ³

Memories fade with passing age
In forlorn hope we wait for
Distant hills still haunt us now
Until the end of time
Until the end of time

Droichead na ndeor
Agus droichead na gcaointe
Droichead na gcaointe
Agus droichead na ndeor
