Clannad - Magical Ring (1983)

Lookin' round and round again
That's me, oh that's me
Far away on my own again
A day goes by in Tower Hill

Silent screams,
Is there someone at the door?

Light is on, lit fire round
It's me, you're home
Blue and grey, and seas apart
Another night at Tower Hill

Silent screams,
Is there someone at the door?

Silent screams,
Silent screams,
Is there someone at the door?

Sit inline and count to ten
Still near, right here
Movin' round this empty room
I'm sorry now, at Tower Hill

Silent screams,
Is there someone at the door?

~~~

Tower Hill (the Bad Transcript version)

-----

Looking around and around again [no "uh" sounds!]  
That's mean, oh that's mean [what exactly would be  
"mean"?]  
Far away on my own again  
At Gagans Rye(?) and Tower Hill [you're kidding...  
"Gagans Rye"?]

Silence sweet  
Is there someone out there too? [in addition to who?]

Lies on on the twilight [Clannad does NOT use double-words]

It's me, you're home

Blue and grey, in season art [oh yeah, that's close... where's the "P"?]

Another night at tower hill

Silence sweet

Is there someone out there too?

Silence sweet

Silence sweet

Is there someone out there too?

Stay in line and count to ten

Still here, right here

Moving round the center [center- what? center "oom"? NO!]

I'm sorry now, at Tower Hill

Silence sweet

Is there someone out there too?

~~~

Tower Hill (the All-Your-Base version)

Licking around and around again

That's mean, whoa, oh that's mean!

Far away on the phone again

At Gagans Rye(?) and Tower Hill

Silence swee... eat...

Is there someone out there? Two?

Lillies on, on Twilight

It's me, your home

Blew wind grey, and seize up art

A mother might at tower, ill

Silence, Wheat!

Is there somebody set up us the bomb?

Silence, w33t

Silence, w33t

Is thar some fun out their tore?

Sin, Yin Lein, and counting tent

Still hear, right ear

Movem around theh zentre, oohm

I'm sorry now, at Tower Hill

Silent sweat
Is their sum, one-out there, Doe?
