Late night wedding bells and  
All the world is quiet and asleep.  
I don't know you that well and  
You sure as hell do not know me.  
I seem like a little self-centred Queen  
But I need I need big love today.

Late night wedding bells and  
We are talking like we've always known  
Each other fairly well, but  
You're a stranger and my mother says that  
I need to come home.  
I seem like a little self-centred Queen  
But I need I need big love today.

If I opened up a shop,  
Put this night upon the shelf,  
I'm sure it would sell for  
Twice as much as anybody elses'  
But seeings you have been so kind,  
As to share with me your life  
I guess it's best if we  
Just leave this little one between ourselves.

It's been a lovely night and  
I have enjoyed having you so much  
But to avoid rude frights  
I guess it's best if we re-robbed  
And went off home.  
I seem like a little self-centred Queen  
But I need I need big love today.
