Monday comes and Tuesday cries,
Cause on Saturday, yeah on Saturday I fly
See you later, see you soon.
You said you'd wait and I do believe you
C'mon, c'mon

You... you were always there waiting, waiting
You... you were always there
And yes I do believe you

If you go or if you stay makes no difference
Cause you're still my favourite
Don't forget me, not too soon
Happy day, oh the way you move
C'mon, c'mon

You... you were always there waiting, waiting.
You... you were always there
And yes I do believe you
C'mon, c'mon

See you later, see you soon
You said you'd wait and I do believe you
See you later, see you soon
You said you'd wait and I do believe you
(Oh the word, the word is love
You let me go and I gave you up
Oh the word, the word is love
You let me go and I gave you up)
See you later, see you soon
You said you'd wait and I do believe you
See you later, see you soon
You said you'd wait and I do believe you

You... you were always there waiting waiting
You... you were always there
And yes I do believe you

Oh the word the word is love
You let me go and I gave you up
Oh the word the word is love
You let me go and I gave you up

Oh the word the word is love
You let me go and I gave you up...
