Today I feel the mood
And I don't feel like talking oh ho a waha
I wasn't ready to lose you
You're the first man to move me yeah
You help me feel alive
Got me up from 9 til 5 oh ho a waha
I could get through those days
With you on my mind yeah

Gotta try and move on
But I promise you
I will kiss your crown when life takes me down

I saved my last dance for you
My friend
I saved my last dance for you
My friend

And all the seats in the crowd
Oh people love to move now oh ho a waha
I just can't feel the beat
Cos my heart's fallen out yeah

Gotta try and move on
But I promise you
I will kiss your crown when life takes me down

I saved my last dance for you
My friend
I saved my last dance for you
My friend

I got my light in my hands
And your love in my heart
I got my light in my hands
And your love in my heart
I saved my last dance for you
My friend

And it seems I can live my life with you as my rhythm

Yeah
And I know I'll find my feet and... beaming
Yeah yeah

I saved my last dance for you
My friend
I saved my last dance for you
My friend

I got my light in my hands
And your love in my heart
I got my light in my hands
And your love in my heart
I saved my last dance for you
My friend
