[Music: Helmuth, Lyrics: Barth]

Ritual Human - sacrifices - upon thee
Bring us power - of discovery - ingenious
Inventions...

Deity crepitus - we summon you!

BELPHEGOR - envoyed from hell by Lucifer
Hell's Ambassador
BELPHEGOR - envoyed from hell by Lucifer
Thy priests - contort their flesh

[Lead: Helmuth]

BELPHEGOR - licentiousness upon thee

[Lead: Sigurd]

Orgies in - in the sign - of the phallus
Seduced us to - evil through - the apportionment
Of wealth...

Deity crepitus - we summon you!

BELPHEGOR - envoyed from hell by Lucifer
Hell's Ambassador
BELPHEGOR - envoyed from hell by Lucifer
Conjuration - by the feces

Licentiousness upon thee
