The price of illusion? initiating torment
Devoted you travel? through the firmament
Advise the devil? to destroy this plane
All hope is fucked? embellished sacred remains

NATHS IN MORTE

BLOOD MAGICK NECROMANCE

Feast upon the dead? submit to this horror
Countess your mark? breathes the plague
Sordid remains? adorn morbid sanctuary
Lechery? addiction? your celestial charms
A glorified impulse? seven severed arteries

NATHS IN MORTE

BLOOD MAGICK NECROMANCE

Feast upon the dead? submit to this horror
Spit upon? a dew drenched breast
Slutfukk necromance? piss rains upon a poisoned sea
BLOOD MAGICK NECROMANCE
Sukkubus: Consume my flesh!

BLOOD MAGICK NECROMANCE

Feast upon the dead? submit to this horror
BLOOD MAGICK NECROMANCE
Raped by the elements, forgotten? dismembered
