Expulsed from heaven  
Demoness of debauchery  
Cunt of life - the bringer of flesh  
Embraced by the dead

Fornicationium et immundus diabolus  
Ishet zenunium bride of samael  
Fornicationium et immundus diabolus  
Rapture of the highest evilness

Baptized through thy blackest cum  
Again and again  
Bloodfukked by the embryo inside  
Unholy parturiton

Fornicationium et immundus diabolus  
Ishet zenunium bride of samael  
Fornicationium et immundus diabolus  
Rapture of the highest evilness
