"Kings Shall Be Kings"

Visit "[Kings Shall Be Kings](#)" on MotoLyrics.com

Stamp down the fools that god adore
Tear down that lying spectre of the centuries
Let them die in their - their misery

Curse them

* Jesus! Allah! Mohamed!
I spit on your crapulous creeds
Jesus! Allah! Mohamed!
There is death for - the gods

Let Mary inviolate, be torn upon wheels
Drag their souls to awful torment
Throw them into the - hellish pit
And perish with their their crap dogs

Curse them

* REPEAT

Kings shall be kings
Power and fire is ours
