[Music: Helmuth, Lyrics: Barth / Helmuth]

Miasma...

The Archangel descends - from the highest  
Bowls of blood - the sea turns red  
Debauchery - buried alive  
Blessed is the second coming - of the pig  
Apocalypsis Mortis

Divine punishment upon mankind  
Europe in mass hysteria  
Blood poisoning, ripe for tragedy  
Pestilentia Christorum

[Lead: Helmuth]

Total cleansing, perverted elimination  
Sie reinigen sich mit Feuer  
Evangelium Pestilentiae  
Hunderttausende - werden verbrannt!

[Lead: Sigurd]

Flesh impaled - crying for their gods  
Their holy blood - soaks up in rags  
Persecutions - massacres  
Sinister fate - burn them all  
Apocalypsis Mortis

Divine punishment upon mankind  
Europe in mass hysteria  
Blood Poisoning, ripe for tragedy  
Pestilentia Christorum
