Reign of violence - behind convent walls
Diving into - vile debaucheries
Cock craving nuns - degenerated clerics
Mortify the flesh - united in blasphemy

Divine pleasure through infernal pain...

Incestuous orgies
Meaningless torture
Anal excesses
Wanton cruelty

Sadism unbound - screams of torment
Passions of murder - dagger plunged into the throat...

Drunken bishop - screwing smelly vaginas
Lechery on the altar - flesh crazed sanctity
Asses whipped to shreds - cum decorates the cross
Captive virgins flogged - with the scepter of sodomy
Divine pleasure through infernal pain...

Incestuous orgies
Meaningless torture
Anal excesses
Wanton cruelty

Sadism unbound - screams of torment
Passions of murder - dagger plunged into the throat...
Sadism unbound - screams of torment
Passions of murder - strangled with a rosary...
