Kiss the demons of creation
Crucified lust breaks their holy will
666 baphomet
The Christians to the lions

Swarm of rats in a world of shit
Jesus Christ - son of stench
Swarm of rats in a world of shit
Jesus Christ - castrated saviour

Burning crosses, invoke the powers.
Rape the crowns, hell awaits
666 baphomet
The Christians to the lions

Swarm of rats in a world of shit
Jesus Christ - son of stench
Swarm of rats in a world of shit
Jesus Christ - castrated saviour

Kiss the demons of creation
Crucified lust breaks their holy will

Swarm of rats in a world of shit
