Chop them into pieces in their cathedrals
Slay them, mutilate them with fire
Under the whip with the pedophile pope
Damned god I'm so incredulous

The crucifixus - Anus Dei

* Suffocate the priest
Blaspheme the priest
Pillage and burn the priest - Anus Dei

Fukkchurch of virgins and eunuchs
Glory desecration and infertile love
Tread on the sacraments of life
Wipe my ass with the altardoth

The crucifixus - Anus Dei

* REPEAT

Burn - burn the cross
Kill - kill the priest
Fukk - fukk the church
Anus Dei (REPEAT)
