The pleasure - of sin - devoured her soul  
The evil - in her flesh - infected her  
Using - the clyster - to flash jesus out  
Churchwhore - no longer - wears a rosary

Hellfucked in the chapel of sin  
Hellfucked in the chapel of sin  
Enter the reich of sathan

Cock of flame - buttfuck me - rip me in half  
Golden shower - bondage - baptized in cum  
Belt of thorns - genital - stimulation explores  
Churchwhore - no longer - wears a rosary  
Hellfucked in the chapel of sin  
Hellfucked in the chapel of sin  
Enter the reich of sathan

Te - invoco - oh sathana!  
Te - invoco - oh sathana!
