Oh black winged sukkubus
Icy hands surround my throat
Insert the wooden arm - ride the crucifix
Your life is mine - to hell we shall go
I am possessed - lick me, I'm so cold...

Blow me straight to sado hell
Taste the ultimate sin - sin

THE SUKKUBUS RITUAL - Ich salbe Dich
THE SUKKUBUS LUSTRATE- Ich errege Dich
THE SUKKUBUS RITUAL - Ich lecke Dich
THE SUKKUBUS LUSTRATE - verehere Dich

Delight bizarre orgasm
Full of dead romantic
Take these almighty wings
Fly away with sathan
Your life is mine - to hell we shall go
I am possessed - lick me, I'm so cold...

Blow me straight to sado hell
Taste the ultimate sin - sin

THE SUKKUBUS RITUAL - Ich salbe Dich
THE SUKKUBUS LUSTRATE- Ich errege Dich
THE SUKKUBUS RITUAL - Ich lecke Dich
THE SUKKUBUS LUSTRATE - verehere Dich
