I remember the first time  
I got hurt by love  
I thought I'd never get over that girl  
Then mama called me to her side  
And took her handkerchief and  
Dried the tears from my eyes and said

[CHORUS]

It's all in your mind  
It's all in your mind  
You'll get over it  
Just a matter of time  
You'll find a girl to treat you right  
She'll bring happiness into your life

Yeah, that's what mama said

Just because that girl did you wrong  
You can't give up on love  
You got to be strong  
Remember, quitters never win  
Take the bitter with the sweet  
And try it over again, she said

[Repeat CHORUS]

Yeah, uh huh

After meeting you  
I know mama told the truth  
Cause I forgot about her  
When I laid eyes on you

Now I wanna pass  
This advice on to you  
If you're hung up on love  
You can shake it too  
Cause mama said

[Repeat CHORUS]

It's all in your mind

It's all in your mind  
You'll get over it  
Just a matter of time  
You'll find someone to treat you right  
They'll bring happiness into your life

Mama said  
It's all in your mind...
