When I start makin' love I don't just make love... I be strokin'

That's what I be doin', huh

I be strokin'

I stroke it to the east

And I stroke it to the west

And I stroke it to the woman that I love the best

I be strokin'

Let me ask you somethin'...

What time of the day do you like to make love

Have you ever made love just before breakfast

Have you ever made love while you watched the late, late show

Well, let me ask you this

Have you ever made love on a couch

Well, let me ask you this

Have you ever made love on the back seat of a car

I remember one time I made love on the back seat of a car

And the police came and shined his light on me, and I said:

I'm strokin', that's what I'm doin', I be strokin'

I stroke it to the east

And I stroke it to the west

And I stroke it to the woman that I love the best

I be strokin'

Let me ask you something...

How long has it been since you made love, huh?

Did you make love yesterday

Did you make love last week

Did you make love last year

Or maybe it might be that you plannin' on makin' love tonight

But just remember, when you start making love

You make it hard, long, soft, short

And be strokin'

I be strokin'

I stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best, huh
I be strokin'
Now when I start making love to my woman

I don't stop until I know she's sas-ified
And I can always tell when she gets sas-ified
'Cause when she gets sas-fied she start calling my
name
She'd say: 'Clarence Carter, Clarence Carter, Clarence
Carter
Clarence Carter, ooooh shit, Clarence Carter'
The other night I was strokin' my woman
And it got so good to her, you know what she told me
Let me tell you what she told me, she said:
'Stroke it Clarence Carter, but don't stroke so fast
If my stuff ain't tight enough, you can stick it up my...'
WOO!

I be strokin' Ha! Ha! Ha! Ha!
I be strokin'

I stroke it to the east
And I stroke it to the west
And I stroke it to the woman that I love the best, huh

I be strokin'
I be strokin' Ha! Ha! Ha! Ha!
I be strokin', Yeah!
I be strokin'

I stroke it to the north
I stroke it to the south
I stroke it everywhere
I even stroke it with my... Woo!

I be strokin'
I be strokin' Ha! Ha!
I be strokin'
